SECTION 8

SCOPE OF WORK

Scope of Work:

The Contractor must follow the Operation & Maintenance requirement as stated below but not limited to and ensure to provide trouble free services to the satisfaction of the owner.

1. Accommodation / transportation / medical

The contractor shall make his own arrangement for the accommodation of his personnel at respective locations and subsequent transportation arrangement for them from their place of residence to work place or any other place as required and company shall have no obligation in this respect. The company shall not be responsible for providing any medical assistance to the contractor personnel.

2. Discipline

The Contractor shall be responsible for the discipline and good behaviour of all his personnel deployed in the services contracted out and should any complaint be received against any of his employee; he shall arrange to replace such persons within 24 hours of notice issued by the Engineer-in-Charge. The decision of the Engineer-in-Charge in this matter shall be final and binding on the contractor.

3. Gate pass / identity card

The contract shall arrange to supply / renew identity card to his workforce at his own cost, if so required by BGL for security or for any other reasons. Those contractor's personnel shall be required to carry their respective identity cards while on duty and produce on demand.

4. Right to get services carried out through their agencies

Nothing contained herein shall restrict BGL from accepting similar services from other agencies, at its discretion and at the risk and cost of the contractor, if the contractor fails to provide the said services any time.

5. Sub-letting of contract

No part of this contract nor any share or interest therein in any manner or extent, will be transferred or assigned or sub-let, directly or indirectly to any person / firm or Organization without prior permission of BGL.

6 The officer in charge shall have power to

- i) Issue the Contractor from time to time during the running of the contract such further instructions as shall be necessary for the purpose of proper and adequate execution of the contract and the Contractor shall carry out and bound by the same.
- ii) During the course of this contract, BGL can increase and/or decrease the number of the services / technicians to meet contractual requirements.

- iii) Order the Contractor to remove or replace any workman whom the company considers incompetent or unsuitable and opinion of the company representative as to the competence of any workman engaged by the Contractor shall be final and binding on the contractor.

7. Contract Repatriation and termination

BGL shall reserves the right at any time during the course of the contract, to terminate it by giving 30days notice to contractor, and upon expiry of such notice period the Contractor shall vacate the site / office occupied by him immediately.

8. Compensation for non-fulfilment of obligation under Non Annual MaintenanceContract (AMC)

If the Contractor fails to provide the required services,

Break-down penalty would be applicable as follows:

- (a) If the equipment is down for less than 6 hours - No Penalty.
(b) If the equipment is down for more than 6 hours - The penalty will be Rs. 500/- per. For Calculation of default period, will be jointly recorded by service provider and owner on daily basis.
(c) For carrying out the periodic / scheduled / breakdown maintenance of the dispenser, the service provider shall be allowed a maximum of 18 Hrs once in a month.

In any case the maximum penalty would be applicable 70% on monthly net invoicing of each Dispenser

9. General

The maintenance services shall be provided on the round the clock basis.

- i) The Contractor shall deploy adequate number of operators and technicians as well as tools & equipment for smooth and proper operation & maintenance of the dispensers supplied in terms of the contract. In case required to meet operational requirements, the Contractor shall augment the same as per direction of Engineer-in-Charge.
- ii) The Contractor is required to carry out all services as mentioned in the Scope of Services and Schedule of Rates on all the 365 days including Sunday and all holiday and around the clock
- iii) The Contractor shall allow weekly rest and daily working hours to his workmen as per the relevant Act / Law / and Rule made there under. However, no work shall be left incomplete / unattended on any holiday / weekly rest. Technician / operator provided shall have minimum qualification of ITI. Contract in person or his authorized representative shall provide the services on daily basis to interact with Engineer-in-Charge and deployed workmen.

- iv) The workforce deployed by the Contractor for O&M services at CNG installation shall be of sound relevant technical professional expertise which is otherwise also essential from the safety point of view of the personnel of the Contractor as well as for the installation.
- v) Contractor has to ensure the safety of man and machine all the times. Damages of equipment due to negligence will be recovered as per the decision of Engineer-in-Charge, which will be final.
- vi) Regarding work completion, the decision of the Engineer-in-Charge will be final and binding.
- vii) The Contractor shall make his own arrangements to provide all facilities like boarding and transport etc. to his workmen.
- viii) All personnel of the Contractor entering on work premises shall be properly and neatly dressed and shall wear uniform, badges while working on premises of the company including work sites.
- ix) Contractor shall maintain proper record of his working employee's attendance and payment made to them.
- x) The Contractor's representative shall report daily to the supervisor at BGL office through telephone from R.O. for day to day working.
- xi) All the safety rules and regulations prevailing and applicable from time to time at the installations as directed by BGL will be strictly adhered to by the contractor
- xii) The rates quoted by the Contractor must be inclusive of all taxes, duties, service tax, work contract tax and any other levies, contractor's share of P.F. and insurance charges, contractor's profit and any other expenditure etc.
- xiii) It will be the responsibility of the Contractor to pay as per the minimum wages of the appropriate government applicable under the Minimum Wage Act 1948 as per RLC-(C). BGL is not liable to pay any escalation in wages, whether there is any increase or decrease in wages during the contract period.
- xiv) The maintenance services shall be provided on round the clock basis. The Contractor is responsible to provide effective and efficient services round the clock and assure that there is no disruption in the services for want of any resources.
- xv) The Contractor shall establish a central control room to operate 24 hours, seven days a week where complaint regarding non-performance of the equipment in terms of the contract can be lodged. Further, the Contractor shall deploy adequate number of technicians / operators at various site offices in consultation with Engineer-in-Charge to provide trouble free operation & maintenance of the dispensers.

- xvi) All arrangements for communication from control room to the contract person working on job under the services shall be the responsibility of the contractor, viz pagers / walky-talky / telephone.
- xvii) All the jobs mentioned under scope of services shall be carried out as per sound engineering practices, work procedure documentation, recommendation of the manufacturer and as per the guidelines / direction of engineer-in-charge of authorized representative.

10. Operation & Maintenance of CNG Dispensers during contract period

- a) All OEM spares, required for carrying out the operation and maintenance of the complete dispenser during the contract period, including periodic, breakdown maintenance for continuous and uninterrupted operation of dispensers shall be supplied by the contractor at free of cost to the Owner.
- b) The Contractor shall have to keep all the consumables, lubricants, coolant etc. required for carrying out periodic, breakdown, emergency maintenance etc. of the package so as to minimize the down time of the compressor / dispenser.
- c) All tools, tackles and fixtures required for carrying out the above maintenance of the dispensers shall be in scope of the Contractor. The scope will also include handling equipment like crane, forklift, chain pulley block etc. required during the any maintenance activity.
- d) Any expert services required from principal company or OEM shall be arranged by the Contractor or his agent at his own cost. All arrangements like phone, fax, computer, internet etc. required for correspondences with above personnel shall be arranged by the Contractor.
- e) The periodic maintenance required to be done as per OEM recommendation shall be taken up promptly. The Contractor shall provide the detailed preventive maintenance schedule along with
- i) Estimated down time required for each type of maintenance schedule.
 - ii) List of spares and their quantities required for each type of maintenance schedule per dispenser.
 - iii) Type and number of man days required for each type of maintenance schedule per dispenser.
- f) The Contractor shall use only OEM's certified spares during maintenance. In case, the schedule maintenance of the OEM manual recommends to check and replace parts like valves, regulators, hoses, seal kits, nozzles, breakaways / quick couplers etc. after certain time interval, same shall be replaced or used further only on approval from the BGL representative. However any unto ward consequences for non-replacement of such parts shall be the responsibility of the Contractor.
- g) All routine and periodic checks / inspections required to be done as per OEM recommendation shall be done by the Contractor. Instruments required for above inspection like vernier calliper, micrometer screw gauge, fill gauges, bore gauge etc. shall be in scope of the Contractor and these instruments shall be calibrated every year.

- h) The Contractor shall submit a copy of the daily / weekly / fortnightly / monthly / bi-monthly / quarterly and yearly performance report to the EIC in both soft and hard form. All stationery including the printed material shall be in scope of the Contractor.
- i) All the maintenance / inspection job carried out by the Contractor shall be recorded and the report of the same shall be jointly signed by BGL representative.
- j) The EIC will be final authority to take decision with regards to maintenance or replacement of spares or any disagreement between the Contractor and BGL, during the execution of the contract.
- k) The Contractor shall carry out calibration of gas detectors and flame detectors every six months or earlier as per requirement or instruction of EIC of BGL. Also yearly calibration of all the instruments such as pressure gauges, transmitters, switches, mass flow meters etc shall be in the scope of the Contractor. In addition to the above all safety relief valves shall also be tested and calibrated every year.
- l) Calibration shall be done from government-approved laboratories and shall be carried out at least 15 days prior to the calibration due date.
- m) The periodic maintenance required to be done as per OEM recommendation shall be taken up promptly. The Contractor shall plan such maintenances during non peak hours and in consultancy with the EIC of BGL. Any maintenance that needs to be taken up shall be well planned in advance with due approval of the EIC. The scope shall include preparation of maintenance schedule for carrying out the maintenance during the contract period.

Brief Scope of Work:

1. Equipment under AMC

AMC proposed will be limited to the equipment listed under Hyderabad, Vijayawada and Kakinada CNG stations as per details given below:

Sr. No.	Name of Equipment & Make	Model & Brief Specification	Qty. (Nos.)
1	CNG Car/Bus Dispensers of TGTI make	Car Dispenser: P7202 / 7203-8/12CNG50 of 15 Kg/min capacity Bus Dispenser – P7203 of 75 Kg./min capacity	07 (05 Car + 02 Bus)

Other accessories like Air Compressor lines etc. related to the Dispensers.

2. Contractor team – Roles and Responsibility:

Technician:

The Technician's functions and responsibilities are listed below:

- a) To function as an integral member of the BGL O&M coordination team.

- b) Interface with Contractor / BGL on all equipment and system issues mobilize any Contractor / BGL resources required for scheduled or unscheduled maintenance.

SECTION 9

SPECIAL CONDITIONS OF CONTRACT

SPECIAL CONDITIONS OF CONTRACT

1. General Information:

The special conditions of contract shall be read in conjunction with general condition of contract(GCC), Schedule of rates, scope of work and any other document forming part of contract, wherever Context so Requires. GCC is available at tender issuing office and same shall be referred to by Tendered. Notwithstanding, the subdivisions of the documents in to separate sections every part of each shall be deemed to be supplementary of every other part and shall be read with and into the Contract so far as it may be practicable to do so. Where any portion of the special conditions of the Contract (SCC) is repugnant to or At variance with any provisions of the GCC then provision of SCC shall be deemed to override the provision of GCC only to the extent of each repugnance or variations. In case of any contradictions the Decision of the Engineer-I In-Charge will be final and binding on the Contractor.

In case of contradiction between Indian or other applicable Standards, General Conditions of Contract, Special Conditions of Contract, Specifications, drawings, Schedule of Rates, the following shall prevail in order of precedence:

- i) Letter of acceptance along with statement of Agreed variations.
- ii) Fax / Letter of Intent / Fax of Acceptance
- iii) Schedule of Rates as enclosures to letter of acceptance
- iv) Job / Particular Specifications
- v) Drawings
- vi) Technical / Material Specifications
- vii) Special Conditions of Contract.
- viii) General Conditions of Contract
- ix) Indian Standards
- x) Other Applicable Standards

It will be contractor's responsibility to bring to the notice of Engineer-in-charge any irreconcilable conflict in the contract documents before starting the work(s) of making the supply with reference which the conflict exists.

In the absence of any specifications covering any material, design of work(s) in the same shall be performed / supplies / executed in accordance with Standards Engineering Practice as per the instructions / directions of the Engineer-in-charge, which will be binding on the Contractor.

2. Location / Site Information

The site location/ Retail outlet(s) are in and around Hyderabad and Vijayawada City Gas Distribution (CGD) area Limits.

The bidder must mobilize adequate manpower for/ at all the sites and as and when desired by BGL.

3. Payment Terms:

Monthly running account bills in triplicate subject to carrying out maintenance as per the scope of the work. Payment shall be made from the F&A Dept. of BGL, within 15 days

from the date of receipt of the bill. The bill should be submitted along with the copies of all reports - preventive maintenance, breakdown maintenance, statutory testing / calibration reports, service reports etc as necessary duly certified by station In-Charge/Engineer-In-Charge.

4. Contract Performance Guarantee:

Within 30 days of the receipt of the notification of award (LOI) from the OWNER, the successful bidder shall furnish the Performance security in accordance with provision of contract in the form provided in the bid document for two years from the date of Work Order.

The Performance security shall be for the amount equal to 7.5% of one year's contract value (excluding taxes & duties) of the contract awarded towards faithful Performance of the contractual obligations and Performance of services. The Performance security shall be in the form of Crossed Demand Draft/Banker's Cheque or Bank Guarantee in favour of BGL, Hyderabad. Bank Guarantee shall be from any Indian scheduled commercial bank or a branch of an International bank situated in India and registered with Reserve Bank of India as scheduled foreign bank in case of Indian bidder and from any reputed International bank or Indian scheduled commercial bank in case of foreign bidder. However, other than the Nationalized Indian Bank, the bank whose BG are furnished, must be commercial banks having net worth in excess of Rs. 100 crores and a declaration to this effect should be made by such commercial bank either in the bank guarantee itself or separately on a letter head, as per proforma enclosed in the Tender Document.

The Bank Guarantee shall be valid for a period of 28 months from the date of issue of LOI / WO.

The Bank Guarantee will be discharged by BGL not later than 3 months from the date of expiration of the seller's obligations. Defect Liability Period is 3 months from the date of completion of the contract.

Failure of the successful bidder to comply with the requirements of this article shall constitute sufficient grounds for the annulment of the award and forfeiture of the bid security, in which event the OWNER may award the order to the next lowest evaluated bidder or call for new bids at its discretion at the risk and cost of the successful Bidder.

5. Deployment Schedule:

Within 10 days from the award of work LOI / WO or as intimated by Engineer-In-charge.

6. Contract Value:

The value of work under this contract shall be as per quantities mentioned in the **SOR**. Actual work may vary to any extent plus or minus to the attached quantities and the contractor must do so as per BGL's requirement. The Minimum value of work will be as mentioned in the **SOR**. The quoted rates comply all applicable for Minimum wages revisions by Regional Labour Commissioner, statutory taxes and duties during the period of contract.

7. Contract Period:

The effective period of the contract shall be 24 months from the date of intimation by Engineer-In –Charge (EIC).

The contract may be terminated at any time during the contract period without assigning any reason and by giving fifteen days (15 days) notice to the contractor by the engineer-in-charge as per the requirement of BGL.

7.1 Extension of Contract Period:

The contract may be extended for a maximum period of one year at the sole discretion of BGL, subject to satisfactory performance of the Vendor during the contract period.

8. Validity of Quoted Rates:

The Rates Quoted accepted shall remain valid for the entire period of Contract and no escalation whatever shall be permissible after award of the contract except for the statutory variation due to Goods & Service tax.

The quoted Rates shall be inclusive of all Taxes & Duties applicable during the Contract period **Except for Goods & Service tax (GST) & Education Cess thereon. GST & Cess**, if any, thereon shall be paid extra, if applicable, on submission of documentary evidence / invoice(S).

The Bidder shall indicate in the bid the Goods & Service tax Registration (Provisional) Number.

The above details are required to enable BGL to avail Input Tax Credit (ITC) as per GST Acts/ Laws.

Please note that responsibility of payment of GST lies with service provider.

The contract may be terminated at any time during the contract period without assigning any reason and by giving fifteen days (15 days) notice to the contractor by the engineer-in-charge as per the requirement Of **BGL**.

9. Recovery:

Cost Of any Damage /loss of the property of **BGL**, by the contractor shall be recovered from the Bill / security deposit of the contractor and decision of the **BGL / EIC** in this regard shall be final Binding and conclusive.

10. Safety & Security:

10.1 The contractor shall provide proper cotton dresses (Uniform), safety shoes and to provide safety kit as per requirement. No contractor's personnel shall be allowed on duty without wearing applicable Safety gears.

10.2 The contractor shall provide signed photo identification cards for his personnel to be deployed with in **BGL'S** premises.

11. Taxes and Duties:

11.1 Income tax at the prevailing rate as applicable from time to time shall be deducted from contractor's bills as per Income tax Act, and quoted rates shall be deemed to include this.

11.2 The contractor agrees to and does hereby accept full and exclusive liability for the payment of any and all taxes, duties including excise duty, octroi etc now in force and hereafter increased, imposed or modified from time to time in respect of works and materials. The prices shall also be inclusive of Sales tax but exclusive of Service Tax on works contract / Trade tax / turnover tax as applicable. Owner shall make from contractors bills such tax deductions as are required as per rules and regulations in force from time to time.

12. Indemnity agreement:

Contractor shall exclusively be liable for non-compliance of the provision of any act, laws, rules and regulations having bearing over engagement of workers directly or indirectly for execution of work and the Contractor hereby undertake to indemnify the company against all actions, suits, proceedings, claims, damages demands, losses, etc. which may arise under minimum wages act, payment of wages act, workman compensation act, personnel injury (compensation insurance) act ESI Act, Fatal Accident Act, Industrial Dispute Act, Shops and Establishment Act, Employees Provident Fund Act, Family Pension and deposit Linked Insurance Scheme or any other act or statutes not herein specifically mentioned but having direct or indirect application for the persons engaged under this contract. (A certificate to this effect shall be submitted by the Contractor immediately on receipt of LOA/WO).

13. Statutory Requirement:

The bidder shall necessarily have PAN and EPF or ESIC failing which the bid will be disqualified. The contractor may enclose a copy of the respective registration certificates along with the Technical Bid.

14. Compliance of Laws:

The Contractor deploying 20 (twenty) or more workmen as contract labour shall have to obtain licence from appropriate licensing authority, if required. The Contractor (which shall include the contracting firm / company) shall be solely liable to obtain and to abide by all necessary licenses from the concerned authorities as provided under the various labour laws legislation's including labour license from the competent authority under the Contract Labour ("Regulation & Abolition") Act 1970 and Acts made thereafter.

The Contractor shall be responsible for necessary contributions towards PF, Family Pension, ESIC or any other statutory payments to Government agencies as applicable under the laws in respect of the contract and personnel deployed by the contractor for rendering services to BGL and shall deposit the required amount with the concerned statutory authorities on or before due dates. The contractor shall obtain a separate PF number from the concerned Regional Provident Fund Commissioner and submit necessary proof of having deposited the employees as well as the employer's contribution to the Provident Fund.

The Contractor shall not engage / deploy any person of less than 18 years under this contract and the persons to be deployed should be physically and mentally fit.

The installation where job is to be carried out are live and have hydrocarbon environment. Contractor shall comply with all safety and security rules and regulations and other rules laid down by BGL for its operation. It shall be the duty / responsibility of

the Contractor to ensure the compliance of fire, safety, security and other operational rules and regulations by his personnel. Disregard to these rules by the contractor's personnel will lead to the termination of the contract in all respects and shall face penal / legal consequences.

The Contractor shall arrange for insurance of all this workers engaged on the job as per the relevant Acts, rules and regulations, etc. In case by virtue of provisions of worker's compensation Act, 1923 or any other law in force. BGL has to pay compensation for a workman employed by the Contractor due to any cause whatsoever the amount so paid shall be recovered from the dues payable to the Contractor and / or security deposit.
