BIDDING DOCUMENT NO. : MEC/23R8/01/51/D2/T03/SU/6511

SUBJECT OF BIDDING DOCUMENT : SUPPLY OF GAS REGULATORS

<b>Sr. No.</b>	<b>PART / Section / Clause No.</b>	<b>Page No.</b>	<b>Clause Description</b>	<b>Bidder's Query</b>	<b>Reply to Bidder's Query</b>
1)	Section II of Part III	13 of 34	Natural Gas Regulators Domestic Regulators (ITEM no. A2.1)	In the bidding document you have advised for” in built two stage regulators.” We have supplied and been supplying single stage regulators against this requirement and also confirm that our single stage regulator meet all the technical requirement as requested. Requesting you to kindly accept the single stage regulator also. We have supplied single stage regulator with all the safety features as requested to various CGDs. Attached herewith the statement giving the details for your immediate reference.	The regulators shall be as per Technical Specification (TS) of the Tender document.  Tender clause prevails.
2)	Section II of Part III	14 of 34	Natural Gas Regulators Domestic Regulators (ITEM no. A2.1)	Type of reset for OPSO and UPSO safety feature is given as manual. Here we wish to submit that CGDs are nowadays asking for UPSO with manual reset (same as the one in meter regulators) even in these regulators. When the gas supply is disconnected for any reason and resumed later, regulators with auto reset UPSO will auto reset and start the gas supply. This will avoid the major maintenance call.	The regulators shall be as per Technical Specification (TS) of the Tender document.  Tender clause prevails.

Note: This document shall form an integral part of the bidding document and shall be signed/stamped and submitted along with the bid.
